Heritage College

What we believe

Heritage College provides quality Christian education, developing the mind, body and spirit of every student. We strive to help students discover their potential, expand their skills and develop positive self-esteem. By reflecting Christian values, our students graduate and become vital and compassionate members of the community.

Our code of Positive Behaviour for Learning encapsulates our four core values — excellence, resilience, respect and service — to ensure each student has the opportunity to achieve his or her potential.

Our focus on character and service ensures that our graduate students are well-rounded members of society with a deep appreciation of the quality of selflessness and the importance of serving others.

The school crest and motto, “In Him We Live”, reflects our view that God is an integral part of our lives, with the laurel representing the sense of achievement we want our students to experience.

Scholarship Program

The scholarship program at Heritage College recognises student excellence, including sporting, academic, community leadership and creative arts. Scholarship recipients demonstrate excellence in one or more academic areas and commit to contributing to college life while supporting its Christian ethos.

Heritage College offers a limited number of academic scholarships to prospective and enrolled students each year. Students with advanced academic standing, sporting, leadership or creative excellence are encouraged to apply.

Selection Criteria

Scholarships are awarded based on examination results, performance in current school reports, NAPLAN tests and at interview.
