Year 10

ALL STUDENTS

PRINTED TEXTBOOKS
Please note that all students **must have a physical copy of the textbook to bring to class**. New textbooks include digital access codes which remain valid for 12 months. If students purchase second-hand textbooks, they will not have access to the additional online resources available for that textbook. Reactivation codes are available for an additional cost (approx $50). They are very convenient and contain valuable revision material and suggested answers. However, the school has made these resources OPTIONAL for some subjects, understanding that some families may not be in a position to pay the additional cost.
COMPUTERS
Nunawading Christian College Chromebook is optional - A BYOD can be used by most students, any exceptions will be communicated to those individual students directly.
