

# EDINBURGH COLLEGE

## BUS OPERATING POLICY

Edinburgh College currently operates four private buses in the local area. Our buses provide safe, reliable and secure transport to and from the College.

The Edinburgh College Bus Committee ("**Bus Committee**") operates the buses according to the following policy:

1. The buses operate on set routes and cater for those students furthestmost from the College, where practicable. Information regarding the set routes may be obtained from the Bus Coordinator - Mr Paul Gossip. [bus.business@ec.vic.edu.au](mailto:bus.business@ec.vic.edu.au)
2. Recognised pickup points are set on given routes and students arrange their own method of arriving at these points. Information regarding the recognised pickup points may be obtained from the Bus Co-ordinator. Best endeavours are made to meet your child at your suggested pickup point. The bus driver will confirm the actual pick-up point based on route efficiency and effectiveness. No stops will be made between designated pickup points, unless agreed by the Bus Committee.
3. Students are dropped off by the bus in the designated bus parking area at the College between 8.40am and 8.50am. They are collected from the same area between 3.20pm and 3.30pm. A bus list is marked each day to ensure students have boarded the bus before it departs from the College.
4. Contributions are calculated on a four-zone system based on the Conveyance Allowance categories:

|                            |  |
|----------------------------|--|
| <b>Zone 1: 0 – 4.8km</b>   | Lilydale, Mooroolbark, Montrose, Mt Evelyn   |
| <b>Zone 2: 4.8 – 10km</b>  | Chirnside Park, Kilsyth, Croydon, Croydon Nth  |
| <b>Zone 3: 10 – 15km</b>   | Ringwood, Ringwood Nth, Heathmont, Warranwood, Warrandyte, Wonga Park, Bayswater, Bayswater Nth) |
| <b>Zone 4: 15 and over</b> | Ferntree Gully, Boronia  |

Applications for Conveyance Allowance for your family will be processed by the College Finance Team.

5. Allowances will be made for one way travel on a seat availability basis only.
6. The student will forfeit the privilege of using the bus through unacceptable behaviour. What is regarded as unacceptable behaviour will be any breach of College policies or as otherwise determined by the Bus Committee.
7. There shall be no refunds for days missed unless in excess of one week providing prior notice is given and is approved by the Bus Committee.

8. All contributions must be paid promptly, and the use of the bus may be forfeited if fees are unpaid by the commencement of the next term.
9. No persons other than those regularly catered for will use the bus service, except by prior arrangement with the bus driver and the appropriate contribution is paid.
10. The cost of repairing any wilful damage to the bus will be passed onto the parent/guardian of those responsible for the damage.

## Edinburgh College Bus Travel Code of Conduct

**To ensure that this provided service continues to be a positive, safe and comfortable experience, students will:**

- Respect the needs and comfort of other passengers.
- Behave appropriately at all times (e.g. no use of offensive language/gestures, fighting, spitting, placing feet on seats or throwing things in or from the bus).
- Protect bus property and report any vandalism.
- Follow the driver's instruction about safety on the bus (e.g. instructions on where to sit).
- Refrain from eating or drinking anything other than water on the bus without the permission of the bus operator.
- Refrain from interacting with other members of the public through the bus windows.
- Only attract the attention of the driver in the case of an emergency.

The safety and comfort of all passengers travelling on buses are of primary importance. Bus operators and drivers are required to comply with occupational health and safety requirements and will take action if students put themselves or others at risk.

### Bus Discipline

- Damaging property, eating on the bus or distracting the driver with persistent noise may lead to the loss of travel privileges.
- Dangerous behaviour such as seriously harassing or bullying other passengers, letting any part of the body protrude from the bus, throwing objects inside or outside the bus, using matches and lighters and carting dangerous items may lead to the loss of travel privileges including students being banned from travelling on buses.
- Highly dangerous behaviour such as interfering with safety equipment, fighting, pushing students out of the doors or windows, assaulting the driver or other passengers and destruction of the bus property may lead to the permanent loss of travel privileges and possible court or police prosecution.

### Sickness/Health

Students with special health considerations (asthma, anaphylaxis, diabetes, etc.) are required to carry appropriate medication with them while travelling on the College buses. The drivers will have access to medical records and action plans.

### Cancellation/Change of Journey

If your child does not require a morning pick up due to sickness or other, please contact the driver **before 7:00am**. Likewise, if your child does not require a ride home, timely notification of these changes to the driver or the Primary/Secondary College administration office, will assist in planning the home run. Each driver uses mobile phone texting to receive the changes to your child's transport arrangement. For Primary students, please ensure you also notify Primary administration on 9728 2211 so they can notify the bus duty teacher.

### Bus Routes

There are four bus routes allocated to geographic areas, with some flexibility.

- |                     |  |                        |              |

## **Fee Structure for 2024**

**The terms and conditions for permanent, semi-permanent and casual passengers are as follows:**

### Permanent Passengers

A permanent passenger will be guaranteed a seat on one of our buses. This passenger will be transported to and from school, the majority of days. A transport invoice will be issued each term.

### Semi Permanent Passengers

A semi permanent passenger will be guaranteed a seat on one of our buses. This passenger will either be transported morning only or afternoon only and may not actually travel for the five days. A transport invoice will be issued each term.

### Casual Passengers

Priority has to be given to permanent passengers, however there may be times when a student requires: a ride home; an after College activity; a medical appointment; or visit a friend etc. An invoice will not be issued. A fee of \$6 per person is payable on the day. Parents must contact the College and the bus driver to make the transport arrangements. Students who arrive at the bus, without the College being contacted, and are expecting transport may be declined. While the drivers will do their utmost to accommodate such transport, preference has to be given to those students who pay the full term fare.

### Conveyance Allowance

A government allowance is available to families who live 4.8kms or more from their nearest denominational school and cannot access a free bus service. This allowance is paid to your fee account each term and will offset the fees you pay.
