Student Handbook

Introduction

Edinburgh College is a private Christian school owned and operated by Seventh-day Adventist Schools (Victoria) Ltd. It provides a comprehensive academic program, from Early Learning to Year 12, in harmony with Christian beliefs, values and lifestyle.

Edinburgh College is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Edinburgh College has zero tolerance for child abuse. Edinburgh College is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be given to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Edinburgh College has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Aim and Purpose of the Student Handbook

The purpose of the Student Handbook is to provide information for parents and students regarding the College and its program. It sets out the expectations of student behaviour in and out of class, general operational information and uniform requirements for students. Its aim is to enhance understanding, cooperation and support between all parties.

To assist with finding information, this handbook has been divided into three main sections:

1. Student Conduct

Here you will find behaviour expectations and directions for students and information about the Student Management System.

2. Uniform Requirements

This section lists the required summer and winter uniform items for boys and girls and also the sports uniform items. There are details about purchase of uniforms and also personal grooming expectations.

3. General Items

Here you will find a range of items including bell times, library details, lost property, lockers, etc.

1. Student Conduct

Edinburgh College seeks to support students in developing positive, constructive life habits through provision of a positive, nurturing learning environment, development of constructive relationships that foster learning, and by offering students opportunity to develop life-long values and behaviours.

We want to affirm constructive behaviours and to enable students to return to a positive relationship with fellow students and staff if an error of judgement is made. Management practices are based on principles of:

1. Emphasis on academic and holistic achievement
2. Implementing a system that is College-wide, focused on early intervention
3. Clearly stated behavioural expectations
4. Provision of consistent consequences
5. Utilising developmentally and culturally appropriate interventions
6. Integrating individual, classroom and college-wide benefits of constructive behaviour
7. Listening to students
8. Provision of staff training and professional development
9. Fostering positive, supporting relationships with families
10. Analysis of data to monitor and review the effectiveness of behaviour management programs.

As part of the enrolment procedure, each student signs an undertaking to uphold the values and standards of the College and to cooperate with the staff in all matters. It is expected that all students will support the standards of conduct both on campus and outside of college hours. Any student who finds that he/she is no longer prepared to conform to the requirements of the College, is duty bound to withdraw from the College.

General Behaviour

Orderly conduct is expected at all times when the student is at College, on a College-organised function or traveling to or from the College. Students are expected to be courteous and respectful to staff and to one another. All staff members have the authority to direct and discipline students.

In order to maintain an environment that nurtures student learning students need to take care of the College grounds. Flowerbeds, shrubs, tree branches etc are to be respected and enjoyed, but left alone.

In exceptional circumstances the student may appeal to the Principal to have an absence excused. This should be in writing with supporting documentation.
