Dear Parents, Guardians and Students,

## Re: Box of Books Booklist 2026

In preparation for the 2026 school year, students are required to purchase their textbooks and stationery. Our school uses Box of Books for the provision of both digital and physical textbook resources.

The **Box of Books booklists are now open**, and **all orders must be completed by 7 December 2025** to allow time for delivery before school commences.

We ask all parents to order through Box of Books, as this ensures every student has the correct edition of the required novels and resources. We understand that some families may prefer to reuse or pass down books and stationery from older siblings. This is perfectly acceptable provided the correct editions of the textbooks are used and all required stationery is in good condition.

All students are expected to have their required stationery, a physical Mathematics Edrolo textbook, and their English novels before the commencement of school in January 2026. Students who do not have the required materials at the start of the school year will receive a warning and then demerits.

## Stationery List

This year, to make purchasing stationery more convenient, parents can order the required stationery list through Box of Books (recently acquired by Officeworks). All stationery and textbooks will be delivered directly to your home.

In Secondary, we've been improving our teaching by moving to explicit instruction. As part of this, all students will need their own mini whiteboard, pen and eraser. Details for these items are included in the stationery list.

The only items not available through Box of Books are a lock and Chromebook. Students are required to have one of the following locks:

- Long Shackle 38 mm with 40 mm body (keyed lock)
- Syneco Resettable Combination Lock
- Wordlock Dial Combination Lock

These can be purchased from Officeworks, Bunnings or Kmart.

**All Year 7 students and new Years 8 and 9 students** are required to purchase a Chromebook using the [following link](#). New Years 10-12 students can purchase a device of your choice.

If you already have some of the stationery from previous years, we encourage you to reuse. If you have any questions, please do not hesitate to get in touch.

Yours sincerely

**Miss Sarah Perry, Learning and Teaching Coordinator**
