Adventist Education

Student Code of Conduct – Parent Summary

Hilliard Christian School is required to maintain clear behaviour expectations in line with **Tasmanian registration, child safety, and duty of care requirements.**

The Student Code of Conduct:

- establishes clear and consistent standards of student behaviour
- applies to all school-related contexts, including online environments and off-site activities
- supports student wellbeing while maintaining firm behavioural boundaries
- ensures the safety of students, staff, and visitors

When student behaviour falls short of expectations, the School responds in a way that is:

- proportionate to the behaviour
- informed by the student's age, needs, and circumstances
- focused on safety, wellbeing, and learning

Responses may include pastoral care, counselling, behaviour support plans, suspension, or expulsion, depending on the seriousness of the behaviour.

The School is committed to **procedural fairness**, clear communication with parents, and accurate record-keeping in accordance with regulatory and legal obligations.
