2023 - Secondhand Book Sale

Listed below are the ONLY books that can be sold secondhand this year, due to curriculum changes. If you wish to submit books to sell, they must be handed in **at the Library by 4pm Monday 4th Dec** (no late books accepted).

NOTES:

- 1) The Library retains 20% of the purchase price as a commission – money raised is used to purchase Library books and resources.
- 2) Some books appear under more than one year level
- 3) **Calculators:** most students will need to keep their calculator for the following year. However, students going into Yr10 will need the Texas TI-Nspire calculator. Students new to NCC in 2024 may be looking to purchase 2nd hand calculators. Any calculators submitted for selling must include the charging cable.
